SENIOR HISTORY

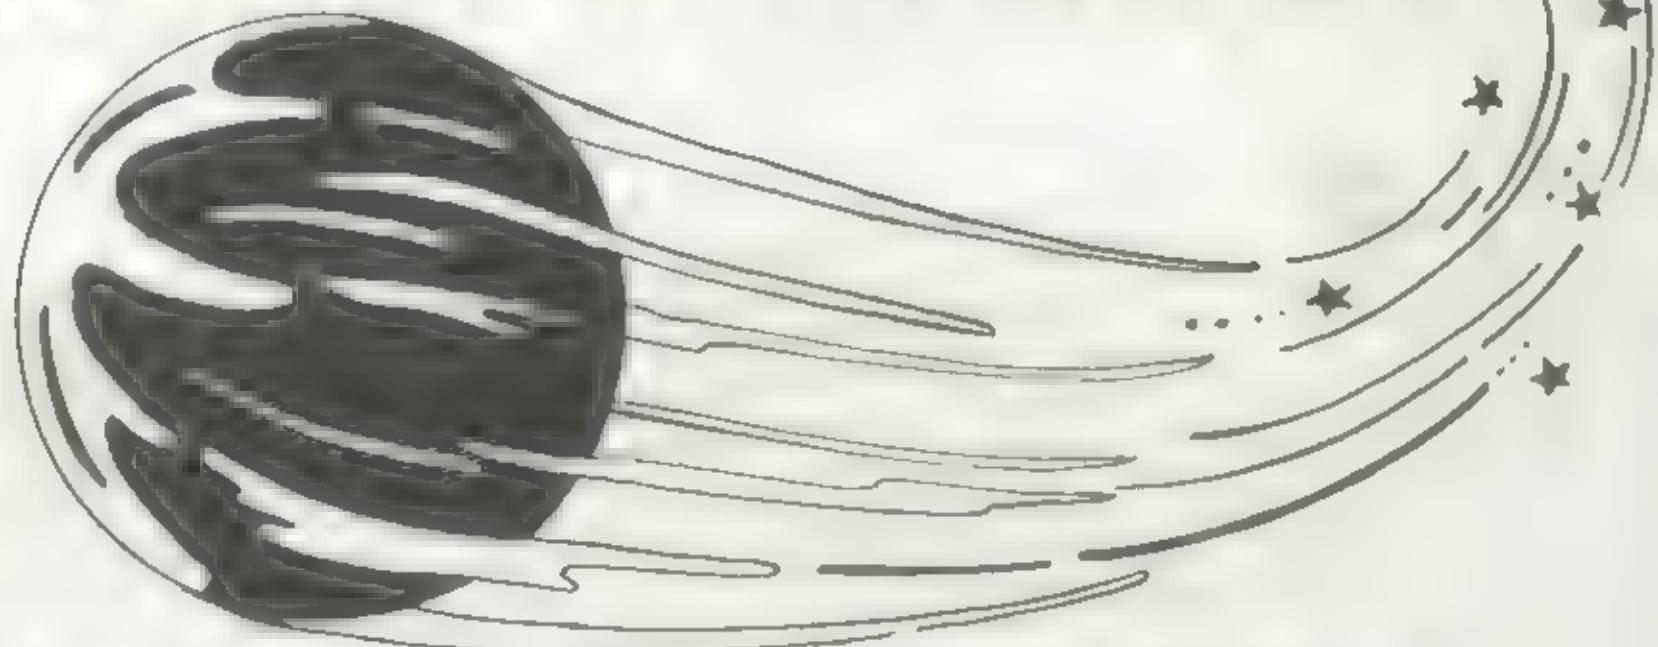

On September 4, 1954, forty-eight students were enrolled in the Freshman class of Clara City High School. Our adviser was Mr. Volmer.

In our sophomore year Mr. E. N. Hinsler was our adviser. A few class parties and the school activities were the only excitement we had. Lois Van Binsbergen from Montevideo joined our class.

Our junior year proved to be a very successful one. Mrs. Lalim was our adviser. In January we received our class rings. The first week in April we invited Father from Worthington entered our class. On March 21 we presented our class play, "Father Knows Best", to a large audience. Mr. Hoelofson was our director. The Junior-Senior Tea was held on May 1. The decorations were centered around the theme, "Tropical Holiday".

Our senior year was started in by the registration of 37 pupils. A new member of our class was Carol Irwin from Irinburg. We were very busy with the preparations for the first Alumni Reunion. Mr. Hinsler was our class adviser. On November 1st, the senior class, "Reunited for 1954", was given under the direction of Mr. Ellingsworth. With our trip to Chicago and the Junior-Senior Tea, we were kept very busy with planning and social work. But on May 9, 1955, this came to an abrupt halt, when 37 seniors received their diplomas and left their desks vacant for the class of 1959.

S.R. PROPHESY *

We had just finished packing our bags when the taxi-cab drove up to take us to the spacerort. The cab-driver was MARVIN OSBURN whom we recognized as one of our friends from Clara City.

We arrived at the spacerort just in time to climb into our rocket. We were greeted at the door by the pilot, co-pilot, and the stewardess who were also from Clara City. They were MARY HENNING, ELWOOD GRUSSING, and CAROL DUGAY. We waved goodbye to our friends and climbed aboard. The stewardess told us to fasten our oxygen masks and we were off--to the moon. We were very excited as we had never been to the moon before.

As we looked out the window we saw the United States Explorer and the Vanguard passing us. Finally we arrived at our destination. We were greeted by the President of the Moon, MELISSA ALT KRECH. She took us to the capitol in her limousine driven by HARM HANL. We were honored to be their guests at the Green house. Lunch was served by the Naturals, INLY ALICE, and I. After a lunch of cheese---green, limburger, or blue-cheese, a stereo show was given in our honor. First the great singer from Earth, Maizie ANN SCHWARTZ, sang "The Moon's Welcome." Next on the program were the famous musicians GINGER THIN, WILFRED RUITZ, and I. CHI ALICE. After the great musicians the Liberace of the Moon, LEE WHITFIELD, favored us with a selection. It was getting late so we decided to retire.

Frikt and early the next morning we got up, ate breakfast, and decided to take a tour of the moon. We decided to start with a tour of the capitol of the moon, Utnik's Fest. We started with the factory of the famous Green Cheese first. When we got there we were greeted by ANITA K.N. who was to be our guide. We told us all about the making of the delicious cheese, where it got its name, and about the origin of the factory on the moon. She gave us a sample and then we decided to go to the next place on our list. The next place was Moonbeam, Inc. The owner, B. NAIL DUST, told us they put out close to 50,000 moonbeams per year! It was getting late so we had to go. We left well informed about Moonbeams.

Our next visit was at P.T. J. N. & C. N.E'S FUSION CO. It was run by two prominent seniors from the Class of 1964 from C.C., JUNIOR AND SENIOR. We were really surprised at the fashions on the moon. They were really "out of this world." The shirts were rather small compared to the big stores in the United States, but all in all, it was very nice. President ALICE ALT came to get us so we had to go. We went back to the Green house where we had supper. We had no other plans so we decided to take in a movie. It was called, "Will Earthians Invade the Moon?" It was produced by BARBARA U.S. and directed by D.V.I. E.R. Starring in this movie was DAVID C. COPE, MARIA ALICE THIN, AND JANE MERRILL. The next day we decided to go to the Science Conservatory and look at the giant telescopes. We were amazed at the greatness of them. Dr. JOHN KOTIAK, who was in charge of things in the conservatory, asked us if we would like to look at the earth through it. We accepted the invitation without any hesitation. We pointed the telescope in the direction of the Earth and looked for it. We could see it immediately. We decided to concentrate on Lira City and sure enough--there it was. It looked as if they were tearing down old C.C.H.S. We could see Mr. Miles standing there crying. It was breaking his heart to see C.C.H.S. being torn down. But wait--there were more startling things. There was JUNIOR JIMMY, MARY, LANA, MARY TELLER, and even the greatest lover of school himself DAVID PARKER. We could take more of the crating of dear old C.C.H.S. so we decided to look at brighter things on the moon.

As we walked down the street we heard someone calling "extra, extra! read all about it." We went over to see what the headlines we noticed that KATHY KALFS had won the western, little champion-ship of the Universe with her partner, Tino. Turned up was KATHY AALFS from Venus with her horse, Goldie.

We turn the page and see LADONNA CLEMENTS Society Column.

We see several familiar names including BOB YOUNG who had just returned from a visit to earth to see some of his old friends.

After we finished reading the news section we noticed that KEN SWANSON was the publisher of this fine newspaper.

We decided it was time to leave so we went back to the Green House to thank the president and her staff for their hospitality. Before we left there we met the president's special dress designer, BILLIE HUTCHINS, and her helpers, CAROLYN HORN, CAROLE SCHNEIDER, LOIS VAN DER BERGEN, and BETTY HARMS.

SR. CLASS PLAY

"HEADED FOR EDEN"

Director: J. J. Ellingworth

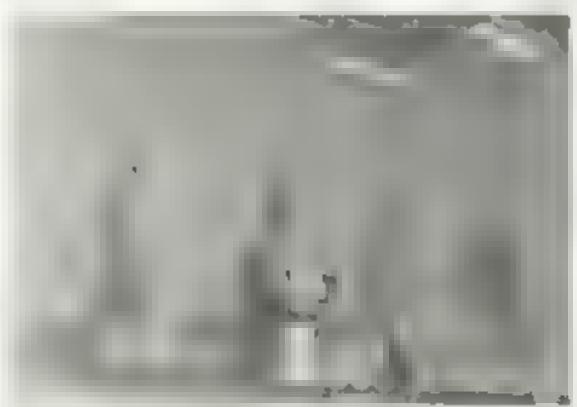

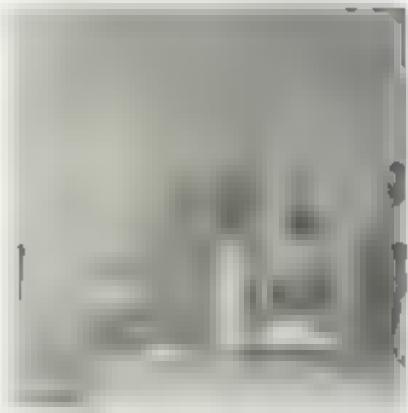

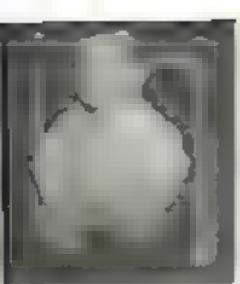

On November 15, 1957, the senior class presented their class play, Headed for Eden. The setting was a room in a boarding house in Chicago in the 1930's.

The story revolves around Kate Roberts and the other girls who live at the boarding house. Kate's brother comes to town and the girls have quite a time helping to keep him from the police.

The cast had many enjoyable moments in preparing for the play because they wore the clothes that were in style in those days.

ALUMNI

The alumni of the Clara City High School were invited to gather at a homecoming in the high school gymnasium on September 27, 1957. This highly successful undertaking was planned by the senior class of 1957 and their very capable advisor, Mr. Clarence Miles, principal of the high school. About three hundred alumni and guests attended.

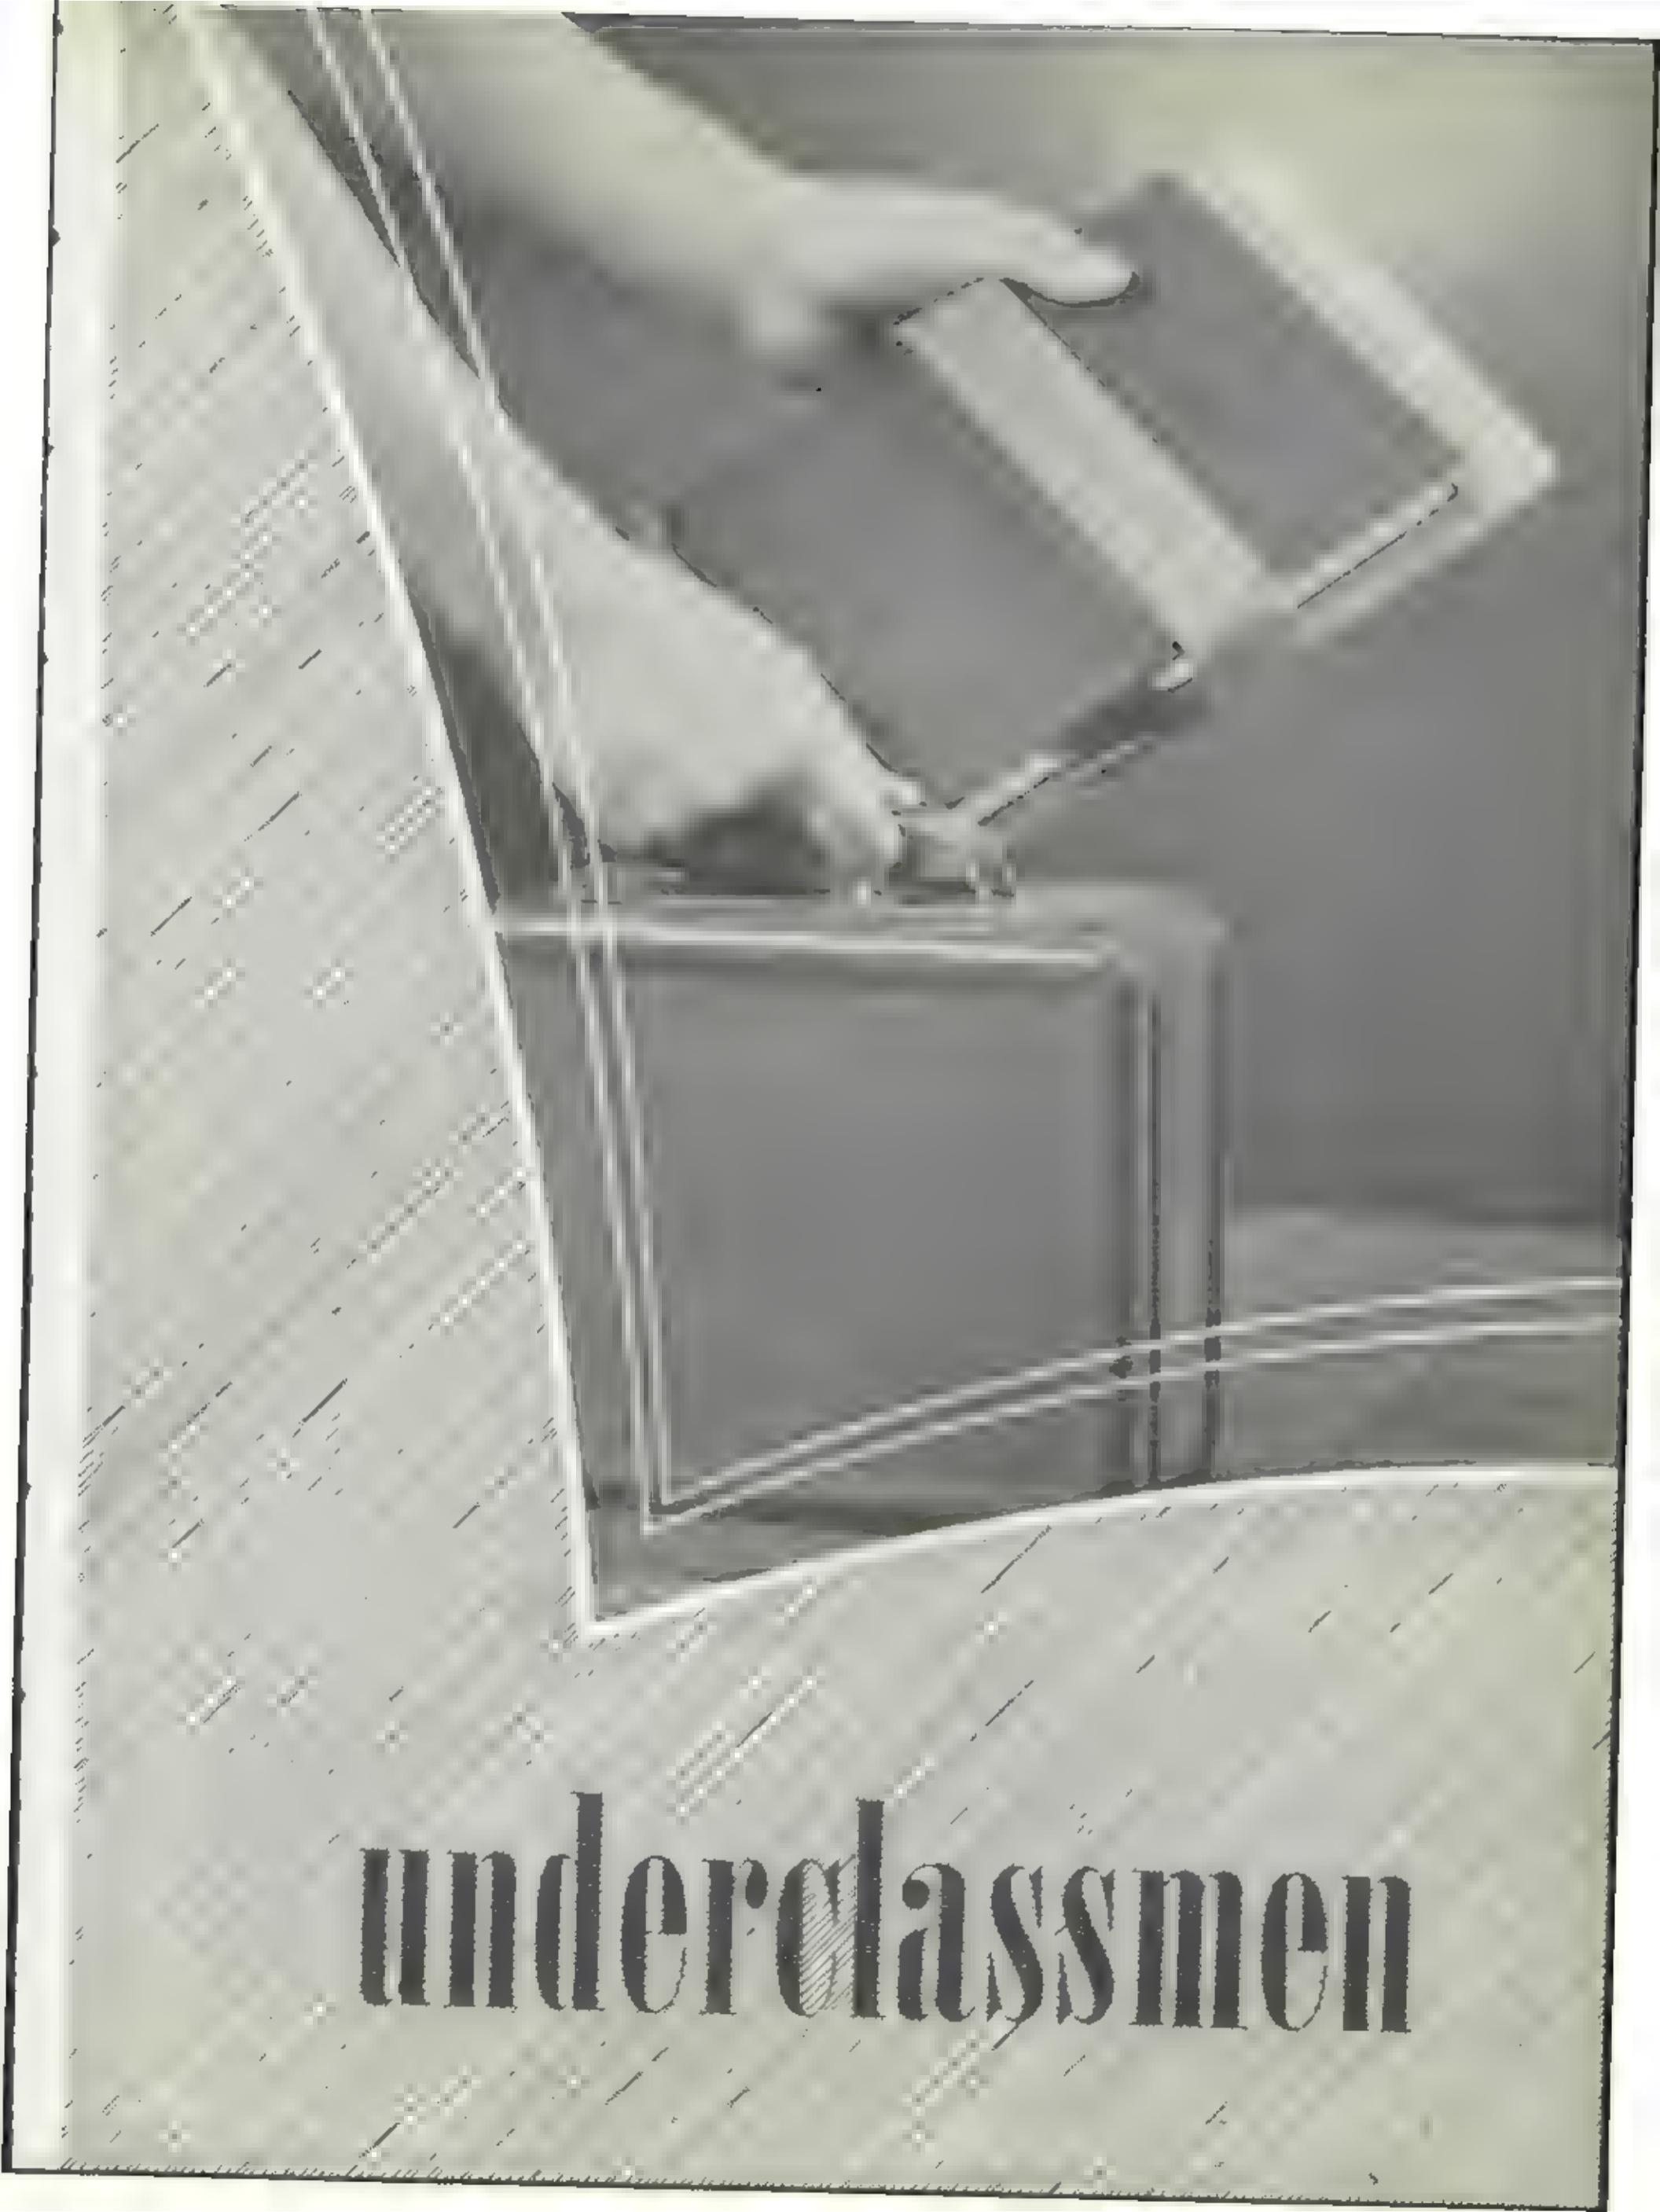

At this meeting, with Mr. Martin Meyer as emcee, our alumni association was formally organized with Mr. Gordon Cook as president, Mrs. Bert Brekke as secretary, and Mr. Peter LeDrote as treasurer.

By unanimous vote it was decided to meet again next year and every year on a trial basis, the date of the meeting to be left to the executive committee. Dues were suggested and set temporarily at \$1.00 a year per member.

Everyone had an enjoyable and memorable time. They are looking forward to next year's banquet in hopes of reuniting with more of their former classmates.

"PEP" BAND

SWING BAND

During the past two years the Clara City "Swing Band" has developed quite an enviable reputation. The 17 piece group has made many playing dates over the two year period. Including 2 Lion's variety shows, an appearance at the Soybean festival, a trip to Dawson where a banquet was held, the Maynard Junior-Senior Fair, and the Variety Supply breakfest. Future dates include the Granite Falls talent contest and the Wilmar School assembly. The group has a repertoire of about 25 numbers. They perform after school and during part of their lunch hour. The vocalist is Ann Schjeldahl and they are under the direction of Mr. Bjorklund.

and the first time I
had seen it was in
the same place. It
was a small, dark,
furry bird, about
the size of a sparrow.
It had a long, thin
beak and a dark
tail. It was perched
on a branch of a tree
and was looking down
at something on the
ground. I think it
was a small insect or
a worm. The bird
was very active and
was flapping its wings
and hopping from branch
to branch. It was
very difficult to see
because it was so
small and dark. I
think it might be a
type of warbler or
a flycatcher. I
will have to do more
research to确定 what
it is.
